

By becoming a member of PLR Dealer, you agree to the following terms and conditions. If you do not agree with any of the terms, please do not use this product. If you have any questions about these terms, be sure to contact us before proceeding with anything that may go against the terms and conditions.

You have **Non-Transferable Private Label Rights** to this product. Please be sure to follow the terms as described below. Any violation of these terms can result in the termination of your license and membership to PLR Dealer without compensation.

### **Here Are The Terms of Your Private Label Rights License:**

1. You may change or edit the material as you see fit. If you want to break the ebook down and turn it into several reports, you have the power to do so. If you want to compile the articles into a brand new product, you may. You can use the material in any way you see fit, **with the exception of the rules below.**

2. **Pricing:** When pricing your products, please keep in mind that lowering your price is not always the best way to make more sales. A low price means low quality in the minds of many people. I cannot require you to sell at a certain price, but I ask that you sell the products at a reasonable price. Audio often sells at a higher price, and by selling low you are not only devaluing your membership, but also the membership of all other members.

If I feel you are devaluing the product for the rest of the members, you will be asked to raise your prices. If you do not, I may choose to revoke your license, and no refund will be issued.

**As a guideline, a good price for the audio books is \$19.97 - \$39.97, and a good price for the ebooks is \$14.97 - \$27.**

**You cannot give the products from PLR Dealer away for free. They must be sold.**

3. You may not pass the **private label rights** on to any one else. The private label rights are for members of PLR Dealer only. If I allow you to pass on private label rights to these products, the value would be lowered for everyone involved.

4. You may not sell/give away resell rights or master resell rights to the books unless you make substantial changes. A general rule of thumb should be if another member would still recognize it as a product from PLR Dealer, you have not made enough changes.

You may not sell/give away resell or master resell rights for the audio books under any circumstances. If you do make substantial changes and offer resale rights, you cannot include it in membership sites.

5. The products you receive from PLR Dealer may not be included in any form of membership site.

6. Any articles from PLR Dealer that you submit to article directories must be significantly edited. This is to avoid any chance of duplicate content. Many article directories don't allow this anyway.

7. You cannot use any form of unethical means to profit from these materials. This includes, but is not limited to, spamming. Any reports of such activity will result in immediate termination of your account, and no refunds will be issued.

8. You may not sell anything you receive from PLR Dealer on auction sites, including, but not limited to, Ebay.

9. You may not sell this product on Amazon Kindle, or other similar platforms, unless you completely rewrite the product. You can risk losing your account with them because they do not allow PLR content to be published.

9. You may not claim copyright to any products you receive from PLR Dealer.

10. If you cancel your membership, you will still have private label rights to all products you have paid for. If you cancel your membership, you will not be permitted to rejoin to prevent any abuse.
